CANCELLATION POLICY

Thank you in advance for taking the time to view and support our policies criteria. NuYu policies are presented and provided in the best quality and tradition of excellent servicing for our established and future clientele. Your appointments are very important to NuYu Day Spa and Beauty, it is reserved especially for you. At NuYu, we understand that sometimes schedules adjustments are necessary; therefore, we respectfully request at least 24 hours notice for cancellations.

Please understand that when you forget or cancel your appointment without giving enough notice, we miss the opportunity to fill that appointment time, and clients on our waiting list miss the opportunity to receive services.

Our appointments are confirmed 48 hours in advance because we know how easy it is to forget an appointment you booked months ago. Since the services are reserved for you personally, a Cancellation Fee will apply.

We will be asking for a credit card to have on file - See Booking Policy:

- Less than 24 hour notice will result in a charge equal to 50% of the reserved service amount. - "NO SHOWS" will be charged 100% of the reserved service amount.

- "LATE SHOWS" will be charged a minimum of 50% of the appointment value with the remaining time offered to the time appropriate and treatment option - Appointments made within the 24 hour period and need to cancel, the client then must cancel within 4 hours of appointment time or will result in a charge equal to 50% of the reserved service amount.

- Multiple services not cancelled 24 hours in advance will be charged 100% of the reserved service amount. 50% of your multiple services may be charged to your credit card to reserve the appointment time.

This cancellation policy allows us the time to inform our standby clients of any availability, as well as keeping our schedules filled, thus better serving everyone.
